**Note1:** Certain balance figures may be slightly different due to not re-amortizing balances every month after an extra payment toward principal. Actual balances will be determined prior to final collection if necessary in any instance. Listed principal balances reflect amortization schedules.

**Note2:** 159 Fitness recently signed an amendment to their original promissory note to maintain the  $17^{th}$  of each month as their due date for payment. The due date was originally noted as the  $17^{th}$  on the schedule, but the  $1^{st}$  of the month on the note (conflicting dates). Due to the timing of the signed amendment, no late fee was assessed for payment due 6/17/2011. Between the time the 5/15/2011 invoice and 6/15/2011 invoices were sent out, the amendment was signed (thus changing the due date). Under the new note, late fees will be assessed going forward.

**Note3:** Invoices were not sent to Mama Dee's Kitchen after 4/15/2011, nor was payment received during the billing period. The State's Attorney's Office is currently in the process of seeking collection on the loan.

Note 4: Since the Connexus note was re-written (4/15/2011), the County has begun receiving consistent monthly payments. Connexus was given a grace period for the first payment under the new note. Under the new note, late fees will be assessed going forward.
